

INTERNATIONAL CHILDREN'S DIGITAL LIBRARY

a library for the children of the world

Enter in this magic library, you will be able to choose among many cheerful and bright books from all the countries and in all the languages of the world. Even yours or the one of your classmate or those you are not able to read (but the illustrations will tell you their story) .

Chose from the globe the nearest or the most far away place whose books you want to visit and...go! You can also read the books with a friend from another country, playing to make the translations...and it will be even funnier!
